Newsletter No 17.

Welcome to Carnoustie Ladies' Golf Club's newsletter. We hope to keep you informed of all the exciting things happening in your golf club.

Hi Ladies, September already - where does the time go! Our activity for August was an outing to St Andrews to play a putting competition on 'The Himalayas'. Our individual winner was Fiona Joss and our winning team consisted of Linda Sinclair, Ray White, May Ritchie and Wendy Clarke. Refreshments were in the St Andrews Clubhouse. It was so enjoyed that there has been a request to make it an annual competition. The front of our club will be repaired and painted in the middle of this month, weather permitting. The committee have been discussing club access. Please will you let us have your thoughts about having a ramp fitted or perhaps an extra rail at the right-hand side of the front steps and grab handles at the door. We could discuss this at the AGM.

Junior News

Heather came 12th equal in the Wee Wonders final last weekend at St. Andrews, a great result. Her trip to America was such an experience and she was very appreciative of all the interest and support from the ladies in our Club. Some of our girls have been playing every week with the Links coaching and have enjoyed their golf this summer.
