Newsletter No 22

Welcome to Carnoustie Ladies' Golf Club's newsletter. We hope to keep you informed of all the exciting things happening in your golf club.

Thanks are due to various committee members for organising repairs and improvements this month to the club. The pipes from the kitchen froze a week before our Christmas meal, causing us great consternation. These have been replumbed, insulated and look a lot neater now. The security lights and sensors have been replaced and increased giving full coverage of the carpark. Two or three other small improvements are under way. It was discovered, when Angus Planning finally got back to us, that changing the steps would not be as straightforward as we'd hoped. Several options have been explored but the committee has decided that, at the present, a second handrail will be installed with a grab handle on either side of the door. An offer has been made for the use of the club for two weeks during the Open - discussions are ongoing! Wendy

Club News

Competition notices are up on the board. They will be taken down on at the beginning of April so that we can get the ties under way.

We now have new security lights and motion sensors around our club.

A full gas safety check has been done and no leaks were found.
